2022 Tournament Rules continued

14. Reporting of Billfish continued: The Tournament Committee Boat will issue a confirmation number and time for your released or boated billfish. Please make certain that the Committee Boat has confirmed your data, including time of release or boating of billfish. If a Tournament Committee Boat cannot be contacted, then a verifiable report must be given to another Tournament boat or Tournament Headquarters; boat name must be noted on the Billfish Score Card (BSC's will be provided at the Captains' Meeting). This is the same procedure for each billfish.

15. Release: The Cajun Canyons Billfish Classic™ does not require that a tag be inserted in a Billfish for the release to qualify for release points. We do encourage tagging of all billfish to further continue the research efforts of The Billfish Foundation (www.billfish.org). A billfish is considered officially released when the leader connection is wound to the tip of the rod, or the mate touches the leader, along with the video images that are required (see Rule #16). Release points are based on GPS date/time and will be recorded to the full minute.

16. Video Images: To obtain release points, in addition to the communications with the Committee Boat and the corresponding confirmation number, the Cajun Canyons Billfish Classic™ requires completed Billfish Score Cards (BSC's-see Sect. #11) and video images with both date and time stamps must be provided. The video image must contain the following:

- a. The angler fighting the fish showing the tournament issued wristband.
- b. Pan of complete cockpit.
- c. Clear identification of the species of Billfish.
- d. Mate with leader in hand or swivel at rod tip, and tournament issued wristband, wiring and releasing the fish.
- e. Wiring and release of fish, followed by an immediate and complete pan of the cockpit showing no other lines in the water.
- f. After the pan of the cockpit, record a clearly legible shot of the boat's GPS showing both date and time.
- g. The camera must NOT stop recording during the wiring, release and complete pan of the cockpit and filming the GPS date and time stamp.
- h. If the mate has the leader in hand and the hook pulls or the leader breaks, the fish still qualifies if all other rules are satisfied, but if the fish is only identifiable as a billfish, the fish will score the minimum points==200 points. Please do not stop your video. **Do not bring any billfish into the boat or out of the water that you are going to release; it will be disqualified.**
- i. Please have 1 team member bring completed BSC's, camera and appropriate cables to connect camera to an external monitor and/or laptop computer.
- j. **If the GPS date or time is not clearly identifiable, the date and time of the boat checking in via radio crossing the checkpoint will be applied, if all other video requirements are met.**

17. Protests: A tournament participant must register any protest with the Tournament Committee within thirty minutes of the weigh in closing time (7:00 PM) on Saturday, June 4, 2022. The protest must be written and accompanied by \$1000.00 cash, along with any evidence/materials for the protest and must be presented to the Tournament Rules Committee prior to 7:30 PM, Saturday, June 4, 2022. The Tournament Rules Committee will make every effort possible to determine the validity of the protest within two hours (9:30 PM). The decision of the Tournament Rules Committee is final.

17a. Binding Arbitration: In the event the Tournament Organizers/Rules Committee cannot render or refuses to render a final and binding decision with respect to any dispute, protest, claim, difference, or controversy under review, the matter shall be resolved by binding arbitration under the commercial arbitration rules of the American Arbitration Association. The decision rendered in arbitration shall be in writing and shall be final and binding upon all parties. The parties shall have no further recourse, except as provided for by the commercial rules of the American Arbitration Association. Once the decision is rendered, it will produce the effect of "res judicata" and the parties shall fully comply with the decision without delay. **The Participants hereby specifically waive any right to a trial by judge or jury. Arbitration will occur in East Baton Rouge Parish in the state of Louisiana.**
